SUGAR CANE PAPER.

How a Trinidad Planter Makes It From The Bagasac.

Consul General Richard Guenther of Frankfor furnishes the following information, published in a German journal, concerning the invention of a Trinidad planter for the manufacture of paper from sugar cane bagasse. For a long Mrs. T. D. Strout of 137 Seminary time the bagasse had been experiment-Trinidad sugar planter has, after seempted to stoop or lift anything that eral years of experiments, arrived at ondition and I continued taking the baving been three times ground and with ease and could sleep well nights, there treated by a process of the in-For backsche and kidney trouble Doan's vetnor. It is then boiled for several For sale by all dealers. Price 50 hours, passed through rotating mill ents. Foster Milburn Co., Buffalo, New stones, put into the usual machines for York, sole agents for the United States, manufacturing paper pulp, and after-Remember the name-Doun's-and ward cut up under bydraulic pressure. The inventor claims that \$4 per cent. of the bagasse is transformed into paper pulp, and he believes that his invention will revolutionize the canegrowing industry as it would be remunrative to plant sugar cane primarily for making paper, with the sugar as by-product. Sogar making would again come very commerative, as bagasse, for fuel, had approximately a value of only about \$1.80 per ton. The cost of -Scientific American.

HOW MANY?

A Dozen or a Half a Dozen Picture Hooks?

"I would like to have a dozen picture hooks-plain," said the red-bearded sub-In considering who would be the best urbanite to the hardware dealer. "How "They're ten cents a dozen. Do you want a dozen?" asked the dealer.

"Ten cents!" said his customer, r If I were to have a valuable horse short flectively. "That's two cents more than I would have an expert horseshoer do I can get them for in town. I'm not the job. If I were to have difficult sure but the plain ones are seven cents first-class lawyer. If I wished to know he added, as the hardware man looked

The read bearded suburbanite

"Five cents," said the hardware dealer. 'Do you want half a dozen?" "I might run short on half a dozen, said the customer. "But then if I did I could get half a dozen more any time at the same price. Maybe I'd better do that than have a lot of extra ones lying around. I don't mind the price. It

isn't everything." "Is'nt it?" returned the dealer, short-

"Not the way I look at it," said the a certain subject through the medium of customer, with a smile.
